March 22, 2021

Dear 4<sup>th</sup> Grade Parents/Guardians,

In accordance with the Virginia Board of Education requirements, Eureka Elementary will participate in the Standards of Learning assessments this spring. Due to the secure nature of the Virginia Standards of Learning tests, all tests must be administered under secure, standardized testing conditions in the presence of school personnel. SOL testing at Eureka will be administered according to the schedule below. Please consider this schedule when making appointments for your child and make sure your child arrives to school on time, so he or she will not miss the SOL test.

All students will need to bring their Chromebook and charger with them on testing days. Please make sure your child's Chromebook is charged the night before each test. To assist with this, teachers may ask students to leave their Chromebooks at school the day before their SOL test.

Date	Students Testing	SOL Test
Thursday, May 6 <sup>th</sup>	In-Person	4 <sup>th</sup> Grade Reading
Friday, May 7 <sup>th</sup>	Remote	4 <sup>th</sup> Grade Reading
Thursday, May 13 <sup>th</sup>	In-Person	4 <sup>th</sup> Grade Math
Friday, May 14 <sup>th</sup>	Remote	4 <sup>th</sup> Grade Math

**Remote Students:** As indicated on the schedule above, 4<sup>th</sup> grade remote students will be testing on Fridays in May. Parents/guardians will need to provide transportation to and from Eureka Elementary on these testing days. Students do not need to bring any materials with them except their Chromebook and charger. All students need to arrive by 9:00 AM to allow for proper screening before testing begins. After each student finishes testing, he or she will be allowed to call for a ride home. Students can be picked up at the loop in front of the building.

Please stress the importance of these tests to your child. A good night's sleep and breakfast are important factors for you to consider prior to your child's testing day. Your assistance with this is greatly appreciated. If you have any questions or concerns, please contact me at 434-736-8458.

Sincerely,

W. Brian Hamilton  
Principal
